

International Conference on Engineering Nexus & Technological Advancements 2024 (ICENTA-2024)

Date: December 15–16, 2024

Mode: Virtual (Global Participation)

Organized by: Eminsphere

Conference Website:

<https://www.eminsphere.com/icenta-2025>

Conference Overview

The International Conference on Engineering Nexus & Technological Advancements 2024 (ICENTA-2024) is a premier global forum organized by Eminsphere to foster innovation, research collaboration, and knowledge sharing across various technological disciplines. The conference will bring together leading academicians, researchers, industry

◆ Why Attend?

- ✓ Present cutting-edge research in AI, IoT, Industry 4.0, and beyond.
- ✓ Engage with experts in engineering and technological innovation.
- ✓ Publish in reputed indexed journals with ISBN proceedings.
- ✓ Network globally with researchers and industry professionals.

Conference Objectives

- ◆ Global Research Collaboration – Strengthening international partnerships for advancing engineering and technology.
- ◆ Showcasing Innovation – Presenting the latest breakthroughs in AI, IoT, automation, and sustainable technologies.
- ◆ Exploring Future Trends – Investigating the intersection of engineering, sustainability, and smart technology.
- ◆ Industry-Academia Synergy – Bridging the gap between academic research and industrial applications.
- ◆ Policy Engagement – Developing technology-driven policies for a sustainable future.

All accepted papers will be published in reputed peer-reviewed journals and included in the conference proceedings (ISBN-indexed).

Call for Papers

We invite original research papers from scholars, academicians, and professionals on the following topics:

- ✓ Artificial Intelligence & Deep Learning
- ✓ Big Data & Predictive Analytics
- ✓ 5G, 6G & Next-Gen Networking
- ✓ Renewable Energy & Smart Grids
- ✓ Cloud Computing & Edge Technologies
- ✓ Cybersecurity & Blockchain Applications
- ✓ Robotics & Automation
- ✓ Wireless Communication & IoT

Submission Guidelines

Paper Formatting:

Format: Microsoft Word (.docx)

Font: Times New Roman, 12 pt

Spacing: 1.5 line spacing

Length: Maximum 8 pages (including figures, tables, and references)

Extra Pages: \$20 per page (max 2 extra pages)

Originality:

Only original and unpublished research work is accepted.

Papers must not be under review elsewhere.

 Submit your paper here: [Submission Link](#)

 **Paper Submission Deadline:**

December 5, 2024

 **Notification of Acceptance:**

December 10, 2024

 **Final Paper Submission & Registration:**

December 12, 2024

 **Conference Dates:** December 15–16, 2024

Review & Selection Process

✓ All submissions undergo peer review by a panel of subject-matter experts.

✓ Papers will be evaluated based on originality, technical quality, clarity, and relevance.

✓ Accepted papers will be presented virtually and included in the conference proceedings (ISBN indexed).

✓ Selected papers will be invited for publication in reputed journals.

Conference Registration Fees

For Indian Participants

UG/PG Student/Research Scholar: ₹1500

(Max. 3 authors; ₹500 per extra author)

Academicians & Corporate Professionals:

₹2000 (Max. 3 authors)

Conference Attendee: ₹1000

For International Participants

Research Paper Submission: \$80 (Max. 3 authors)

Conference Attendee: \$40
